WORKSHOP CO-FOUNDER DOC CRANDELL

Said: "LET NO MAN BE TURNED AWAY FROM THE WORKSHOP BECAUSE HE CANNOT AFFORD TO GO!"

The Atlanta Men's Workshop was founded by the late Doc Crandell of Roswell, Georgia in 1982. Doc had already started a similar workshop in Germantown, Ohio and wanted to share the miracle of this great weekend with his AA friends in Atlanta. It was one of the many ways that Doc found to "Pass It On!" In the years since the founding of the Workshop, thousands of men in recovery have attended and grown in their sobriety as a result. Doc never wanted any man to be turned away from The Rock because he could not afford to go. Doc died in 1985 while on a 12th Step Call, but the Workshop and the dream lives on. Today, it is through the Doc Crandell Memorial Scholarship Fund that we are able to continue to carry the message through scholarships to the Workshop. Many men who have attended on scholarship have returned and helped others to attend. That is the Program in action. Be a part of this grand tradition and make a contribution.
